

CATHEDRAL MUSICIANS

St Paul's Anglican Cathedral, Sale, is the mother church of the Anglican Diocese of Gippsland. The Cathedral has a long tradition of Christian worship supported and enhanced by music. The Cathedral invites *Expressions of Interest* for the following roles:

Choral Lay Clerks: experienced singers and choral musicians to lead singing in the Cathedral, as soloists and choral section leaders.

Choral Scholars: school-aged, developing choral singers to serve as a Cathedral Choir for special services and occasions.

Organ Scholar: an experienced keyboard musician who wishes to develop skills in playing the Cathedral's pipe organ.

These positions present an exciting opportunity for both established musicians and developing musicians to engage with their community through church music, to develop confidence in performance across a range of repertoire, and to enhance their musical experience.

The Cathedral presents a sung service at 10:00am Sunday mornings. In addition, there are some Evensong services, services associated with Easter and Christmas, special services for Synod and other key Sundays in the church calendar.

WHO CAN APPLY?

Cathedral musicians should have:

- A demonstrated commitment to music, and the willingness to further develop performance skills through attendance at regular rehearsals and performances, as required by rostering.
- A high standard of personal presentation and maturity, and the capacity to be prepared and reliable.
- Developed musical skills, attained by participation in studio lessons and choirs, musical productions, and other group music activities.
- An ability to read music notation.

While some familiarity with Anglican music and liturgy would be advantageous, it is not essential. Participation in this programme will include exposure to some teaching relevant to the music chosen, in order to facilitate the interpretation and understanding of the context in which the music will be performed.
